

RULEBOOK

NEXHACK

HACK THE NEXT DIMENSION

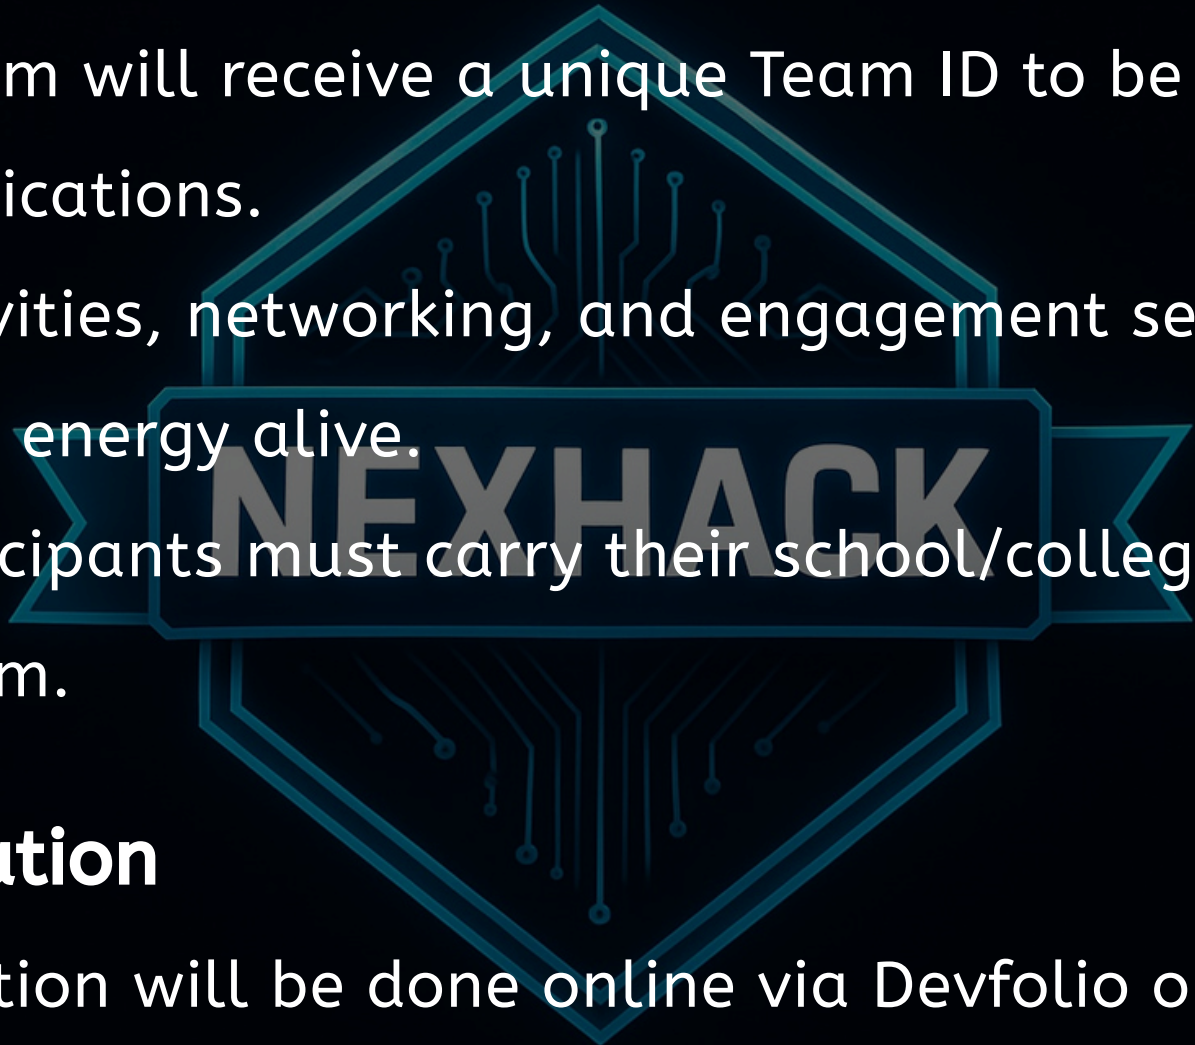

DATE : 11TH OCT – 12TH OCT, 2025

VENUE : GEETA UNIVERSITY, PANIPAT

ORGANISED BY SCHOOL OF COMPUTER SCIENCE AND ENGINEERING
AND CODEFORGE SOCIETY

POWERED BY GEETA TECHNICAL HUB

1. General Guidelines

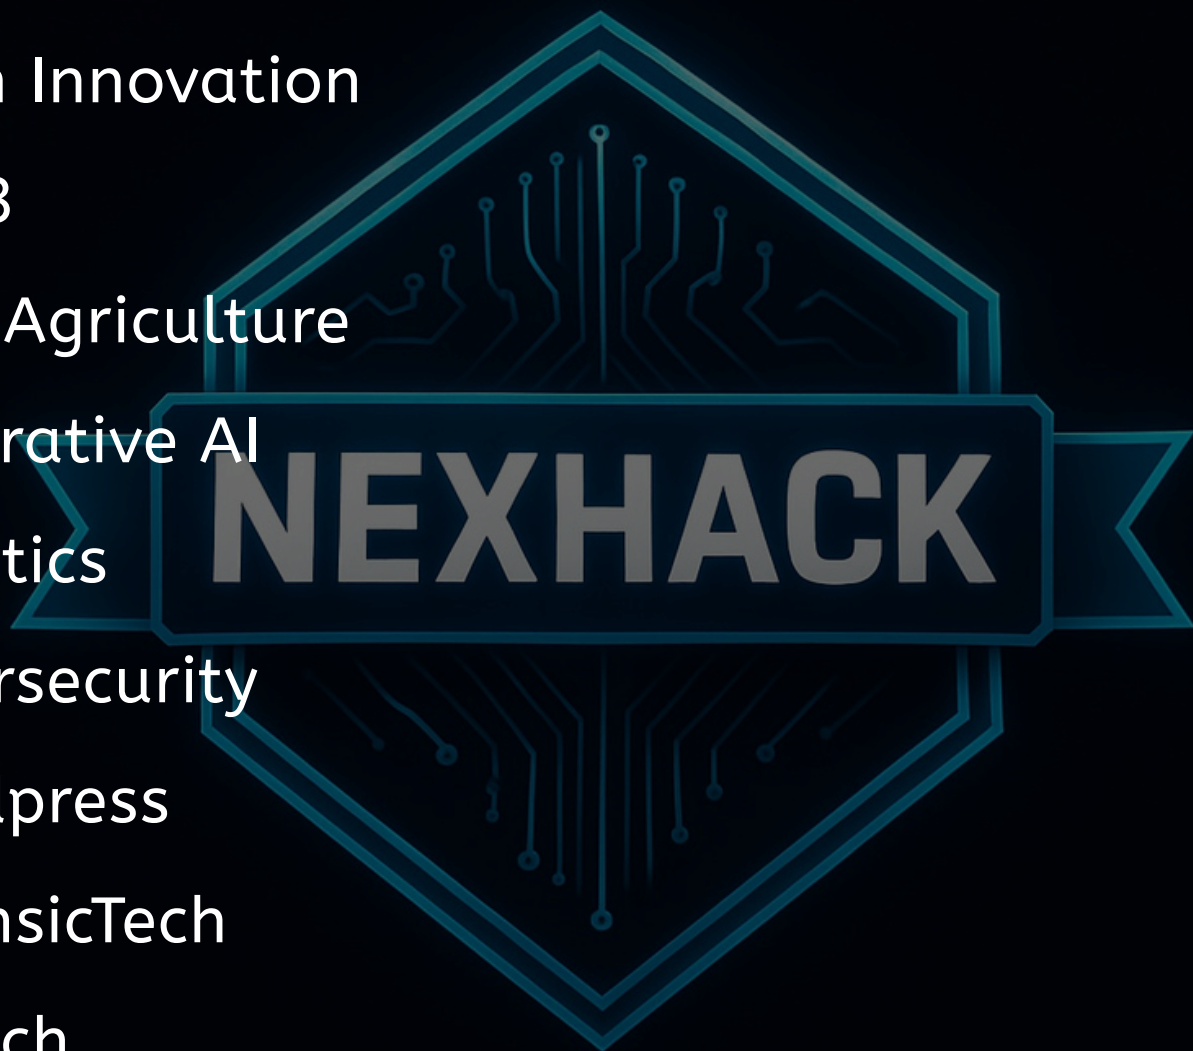

- NexHack is an external hackathon, welcoming participants from schools, universities, and colleges across India.
 - The hackathon runs 24 hours non-stop.
 - All participants must remain on campus for the entire duration.
 - Each team will receive a unique Team ID to be used in all communications.
 - Fun activities, networking, and engagement sessions will keep the energy alive.
 - All participants must carry their school/college ID cards with them.
- 
- A large, semi-transparent watermark of the NexHack logo is centered in the background. It features a blue shield-like shape with a circuit board pattern inside. A dark blue banner across the middle of the shield contains the word "NEXHACK" in white, bold, sans-serif capital letters.

2. Registration

- Registration will be done online via Devfolio only.
- Only the Team Leader is required to register on behalf of the team.
- Team size: 2–4 members (cross-institution teams allowed).
- Once registered, teams will receive a unique Team ID for all submissions and communications.
- Devfolio registration link/QR code will be shared on official handles.

3. Objective & Themes

- **Objective:** To provide a platform for young innovators, developers, and problem-solvers to build impactful solutions in just 24 hours while networking with peers, mentors, and industry experts.
- **Tracks / Themes:**
 - EdTech
 - Open Innovation
 - Web3
 - AI in Agriculture
 - Generative AI
 - Robotics
 - Cybersecurity
 - Wordpress
 - ForensicTech
 - FinTech
 - Campus Solutions

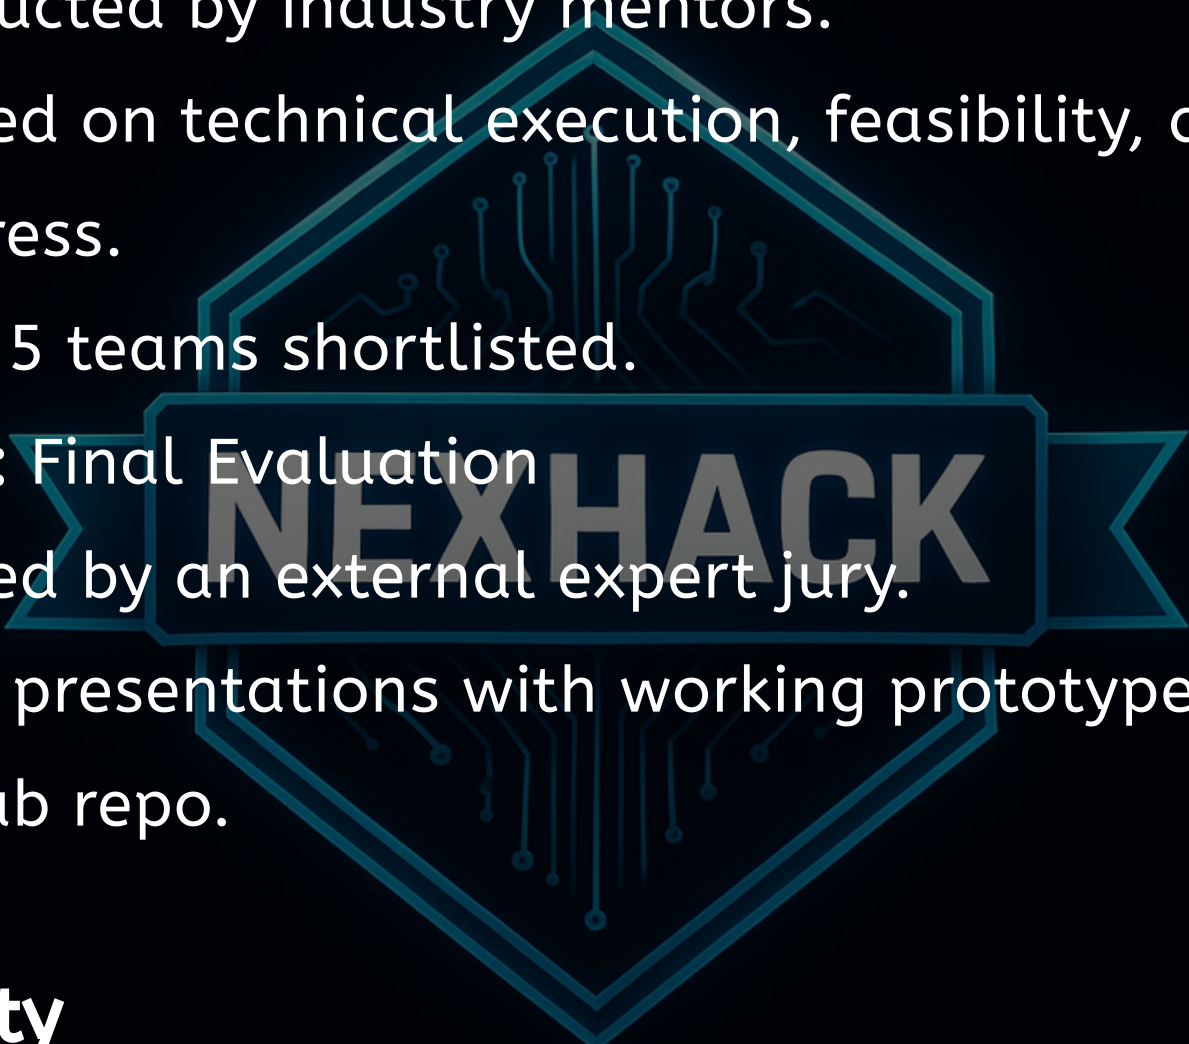

4. Spirit of Competition

- Innovation, collaboration, and creativity are the pillars of NexHack.
- Respect and sportsmanship are non-negotiable.
- Plagiarism, misconduct, or disrespect towards fellow participants/mentors/judges will not be tolerated.

5. Event Structure

NexHack will be judged in 3 rounds:

- **Round 1: Ideation & Initial Development**
 - Judged by internal mentors.
 - Focus on clarity of idea, innovation, and initial progress.
 - **Round 2: Mid-Development Evaluation**
 - Conducted by industry mentors.
 - Judged on technical execution, feasibility, and project progress.
 - Top 25 teams shortlisted.
 - **Round 3: Final Evaluation**
 - Judged by an external expert jury.
 - Final presentations with working prototypes + PPT + GitHub repo.
- 
- A large, semi-transparent watermark of the NexHack logo is centered in the background. It features a blue shield-like shape with a circuit board pattern inside. A dark blue banner with the word "NEXHACK" in white capital letters is superimposed over the center of the shield.

6. Eligibility

- Open to all students across India.
- Categories allowed:
 - College/University Students: UG/PG from any stream, department, or year
- Teams must consist of 2 to 4 members (interdisciplinary & cross-institution teams allowed).
- Each team must designate a Team Leader for communication & registration.

7. Prizes & Incentives

- 1st Prize: \$250 + Swags
- 2nd Prize: \$150 + Swags
- 3rd Prize: \$100 + Swags

Special Track Awards:

- Best Web3 : \$100 (Sponsored By ETHIndia)

Additional Incentives:

- Participation Certificates & Swags for all teams (Sponsored By **GiveMyCertificate**)
- Free Domain (1 year) for winners (Sponsored By **.XYZ Domains**)

The logo for NEXHACK is centered in the background. It features a dark blue shield-like shape with a circuit board pattern inside. A horizontal banner across the middle of the shield contains the word "NEXHACK" in a bold, white, sans-serif font.

NEXHACK

8. Event Mechanism

- Participants may use any tech stack or platform.
- Mentoring sessions will be held throughout the hackathon.
- **Judging criteria:**
 - Problem-solving approach
 - Innovation & originality
 - Technical implementation
 - Feasibility & user experience
 - Team collaboration & presentation skills

9. Team Conduct & Responsibilities

- Submit code via a public GitHub repository.
- Present a PPT in the final round.
- Cooperate with organizers, mentors, and fellow participants.
- Maintain professionalism and respect diversity.

10. Rules for Disqualification

Teams may face disqualification for:

- Plagiarism or use of pre-existing projects/code.
- Leaving campus without permission before 12th October, 10 AM.
- Misconduct, harassment, or refusal to cooperate.

Incomplete submission (GitHub repo, or PPT).

11. What to Bring

- Valid College ID Card (mandatory)
- Laptop + chargers (Other Electronics items)
- Water bottle & personal essentials
- Lots of energy and team spirit
