

NexHack 2.0 Code of Conduct

Geeta University's 24-hour External Hackathon.

Organized by Geeta Technical Hub in collaboration with SCSE

Powered by CodeForge Society.

Building Innovation Through Respect, Integrity & Collaboration

Welcome to **NexHack 2.0**. We believe that great ideas emerge when people from diverse backgrounds collaborate in a respectful, inclusive, and ethical environment. Every participant, mentor, judge, volunteer, sponsor, organizer, and guest is expected to uphold the values outlined in this Code of Conduct throughout the event.

Participation in NexHack 2.0 signifies your agreement to comply with these guidelines.

1. Respect for Everyone

Every participant deserves to feel welcome and valued.

We expect all attendees to:

- Treat everyone with courtesy, dignity, and professionalism.
- Respect differences in opinions, backgrounds, cultures, and experiences.
- Foster an environment of collaboration rather than unhealthy competition.
- Use inclusive and respectful language at all times.
- Encourage learning and knowledge sharing.

Discrimination or harassment based on race, ethnicity, nationality, religion, gender, gender identity, sexual orientation, disability, age, appearance, educational background, or technical experience will not be tolerated.

2. Professional Behaviour

Participants should conduct themselves responsibly throughout the event.

You are expected to:

- Be punctual for check-ins, mentoring sessions, workshops, and judging.
- Follow instructions from organizers and volunteers promptly.
- Wear your event ID whenever required.
- Maintain professionalism in both online and offline interactions.
- Respect the time and efforts of mentors and judges.

3. Fair Competition

NexHack promotes originality and ethical innovation.

Participants must:

- Build projects primarily during the hackathon period.
- Clearly disclose any pre-existing code, templates, or frameworks.
- Use open-source resources responsibly.
- Credit external libraries, APIs, datasets, and assets wherever applicable.

The following actions are prohibited:

- Copying another team's work.
- Submitting previously completed projects without disclosure.
- Misrepresenting another person's work as your own.
- Tampering with another team's project.
- Manipulating judging systems.
- Providing false information during registration or evaluation.

4. Responsible Use of AI

Artificial Intelligence tools such as ChatGPT, GitHub Copilot, Gemini, Claude, Cursor, and similar assistants are allowed unless a specific track states otherwise.

However:

- Participants must understand every part of the code they submit.
- AI-generated content should be reviewed and verified before use.
- Teams remain fully responsible for the originality, legality, and functionality of their projects.
- AI must not be used to plagiarize another team's solution.

5. Team Ethics

Each team member should contribute honestly.

Teams should:

- Share responsibilities fairly.
- Respect every member's ideas.
- Resolve disagreements respectfully.
- Avoid excluding teammates from project decisions.
- Support collaborative learning throughout the hackathon.

6. Communication Guidelines

We encourage open, respectful communication.

Participants should:

- Be polite while asking questions.
- Accept constructive criticism positively.
- Avoid offensive language.
- Keep discussions productive.
- Respect different perspectives.

7. Anti-Harassment Policy

NexHack 2.0 has zero tolerance for harassment.

Prohibited behavior includes:

- Bullying
- Intimidation
- Hate speech

- Personal attacks
- Sexual harassment
- Offensive jokes
- Discriminatory remarks
- Unwanted physical contact
- Threats or abusive language
- Stalking
- Deliberate disruption of sessions
- Sharing inappropriate or offensive content

Immediate disciplinary action may be taken against violators.

8. Venue Rules

To ensure everyone's safety and comfort:

- Keep the venue clean.
- Dispose of waste responsibly.
- Do not damage furniture or equipment.
- Use power outlets responsibly.
- Do not block emergency exits.
- Follow all emergency procedures.
- Respect security personnel and venue staff.

Participants are responsible for their personal belongings.

9. Internet & Network Usage

Participants must:

- Use the event internet responsibly.
- Avoid excessive bandwidth consumption.
- Do not perform unauthorized penetration testing on the event infrastructure.
- Do not attack or interfere with other teams' systems.
- Do not distribute malware or harmful software.

Any cyberattack targeting the event infrastructure or other participants will result in immediate disqualification.

10. Project Submission Rules

Every submission must:

- Be functional.
- Include all required links.
- Include source code.
- Follow the submission deadline.
- Contain accurate project information.
- Demonstrate actual implementation.

Late submissions may not be accepted unless permitted by organizers.

11. Intellectual Property

Participants retain ownership of their projects.

However:

- By participating, you grant NexHack 2.0 permission to showcase your project for promotional and educational purposes.
- Ensure that your project does not infringe on third-party copyrights, trademarks, or licenses.

12. Photography & Media

Photography and videography will take place throughout the event.

By attending, participants consent to the use of photographs and videos for:

- Event highlights
- Social media
- Promotional materials
- Future NexHack events

If you have concerns regarding photography, please notify the organizing team.

13. Health & Safety

Participants should:

- Stay hydrated.
- Take regular breaks.
- Inform organizers of any medical emergencies.
- Follow all safety instructions.
- Report hazards immediately.

Emergency exits and first-aid facilities will be available throughout the venue.

14. Reporting Issues

If you witness or experience any misconduct:

- Contact an organizer or volunteer immediately.
- Reports will be handled confidentially whenever possible.
- Every complaint will be reviewed fairly and promptly.
- Retaliation against individuals reporting misconduct is strictly prohibited.

15. Consequences for Violations

Depending on the severity of the violation, organizers may:

- Issue a verbal warning.
- Issue a written warning.
- Remove participants from specific activities.
- Deduct judging points where applicable.
- Disqualify the team.
- Remove individuals from the venue.
- Ban participants from future NexHack events.
- Escalate serious incidents to venue authorities or law enforcement if necessary.

All decisions made by the organizing committee are final.

16. Additional Event Rules

Participants must:

- Register using accurate information.
- Carry a valid college or government-issued ID.
- Attend the opening ceremony if required.
- Respect all event deadlines.
- Avoid disruptive behavior during judging sessions.
- Not impersonate another participant or team.
- Not use another team's credentials or accounts.
- Avoid excessive noise in designated quiet work areas.
- Keep emergency pathways clear.
- Follow instructions during technical issues or evacuations.
- Wear appropriate attire suitable for a professional event.
- Refrain from smoking, vaping, consuming alcohol, or using illegal substances at the venue.
- Do not bring hazardous materials or items that may endanger others.
- Ensure all software, datasets, and APIs used comply with their respective licenses and terms of use.

17. Our Community Values

At NexHack 2.0, we encourage every participant to:

- Learn with curiosity.
- Build with creativity.
- Compete with integrity.
- Collaborate with empathy.
- Lead with humility.
- Respect every individual.
- Create technology that benefits society.

Innovation flourishes where respect and responsibility come first.

Together, Let's Build the Future

By participating in **NexHack 2.0**, you agree to uphold this Code of Conduct and contribute to an environment where everyone can innovate, learn, and grow together.

Build. Innovate. Collaborate. Impact.
