

NEXHACK

Hack the next dimension

ABOUT GEETA UNIVERSITY

Geeta University, a leading institution in Delhi NCR, provides quality education across a wide range of courses. Established as a university in 2021, it evolved from its previous form as a college of engineering and is now known as the best university in the Delhi NCR region.

Renowned for its excellent placements and well-known student development program, Geeta University promotes holistic development and allows students to pursue their passions. The dynamic curriculum equips students with the knowledge and skills for success in the global marketplace and all aspects of life.

ABOUT NEXHACK

Following its highly successful internal hackathon, Geeta University presents NexHack—its first-ever external hackathon. This event is designed to empower developers by helping them turn brilliant ideas into reality.

Our goal is to make NexHack a grand success and expand Geeta University's innovative spirit beyond the Delhi NCR. Join us for the inaugural event to be part of a new community shaping the future of technology

OUR JOURNEY

HackForge, Geeta University's inaugural internal hackathon, was a landmark success that created an electric atmosphere of innovation. The event drew massive participation, with over 90 teams from the CSE department alone, all showcasing brilliant minds and a passion for problem-solving.

Participants tackled challenging problem statements, delivering highly innovative solutions that demonstrated advanced technical skills. The hackathon had a profound impact, thrilling the university community and energizing the CSE department. HackForge has now set a new, higher benchmark for student-led innovation on campus.

ABOUT HACKFORGE'25

HackForge'25 was Geeta University's first internal hackathon, organized by Code Forge, the official tech society of Geeta University. The event witnessed enthusiastic participation from the CSE department, with over 90 teams and nearly 300 participants. Participants tackled 10 diverse problem statements, showcasing innovation, collaboration, and technical excellence throughout the 24-hour event.

OUR VISION

01

To empower student innovators to push the boundaries of technology, explore futuristic solutions, and “hack the next dimension” by fostering a culture of creativity, collaboration, and real-world problem-solving on a global stage.

02

NexHack aspires to create an environment where technology meets imagination, and collaboration sparks bold solutions that shape the next dimension of innovation. With every hack, we aim to build not just projects—but a movement of future-ready minds ready to make global impact.

03

NexHack envisions a world where students don’t just adapt to the future—they build it. Through cutting-edge challenges and cross-domain collaboration, we aim to unlock the next dimension of innovation.

OUR MISSION

Build Through Innovation

01

To provide a platform where students transform bold ideas into real-world tech solutions by applying creativity, critical thinking, and hands-on skills.

Grow Through Collaboration

02

To foster a culture of teamwork, mentorship, and cross-disciplinary learning—empowering participants to become changemakers in the evolving tech landscape.

VALUE FOR SPONSORS

Why Partner with NexHack?

Maximize visibility, impact innovation, and connect with the brightest minds.

Amplify **brand visibility**. We serve as a strategic platform to decrease your customer acquisition cost.

Foster thought leadership through carefully curated speaking events and interactive workshops.

Talent acquisition made easy. Have access to top tech talents for recruitments.

Access **detailed marketing intel**: demographics, themes, tech preferences and market trends.

Stimulate community dialogue. Organize meetups/ hackathons with our community support.

JOIN US FOR HACKING THE NEXT DIMENSION

PROPOSED OUTREACH

Digital Campaigns

Promotions via social media, official website, and tech forums.

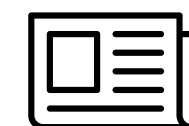

Campus Engagement

Pre-event sessions, coding workshops, and student community drives at top universities

Industry Partnerships

Collaborations with startups, tech companies, and innovation hubs to expand event reach

Media Coverage

Local and national press releases, newsletters, and influencer collaborations and boost sponsor visibility.
